## OAAE LEADERSHIP NEEDED

The OAAE Spring District meetings offered the opportunity for the even number districts to elect district officers. The OAAE would like to thank those district chairs that have served for the past two years. And welcome the leadership that the new chairs will be providing. The OAAE is requesting that the district chairs please return the needed paperwork to the OAAE office ASAP.

It is also time to elect officers for the OAAE for the upcoming year. If you are interested in any of the positions, please let the OAAE Office know. We have also established a new office ...Advocacy/Legislative Officer. This officer will assist with the legislative efforts of the organization.

Are you planning to retire at the end of the school year? If so, please let the OAAE Office know.

It's time to submit your 2010-2011 dues. A membership form can be found on page 4 of the newsletter. This year, the OAAE will not be offering a discount on membership for attending the OAAE/HOT conferences. Also ACTE will be increasing their dues by \$20.00 on July 1 so plan accordingly.
